Other Notes

Theodore is the second son of a wealthy jewelry merchant from Taldor. He spent much of his childhood in Absalom. Only recently discovered by the family, their father is a high ranking member of the Aspis Consortium. Their mother was a very religious woman, and her two sons joined the church of Iomedae as paladins. Theodore went to Lastwall to serve in the Knights of Orem and the Shining Crusade, keeping vigil on the Gallowspire. When the Whispering Tyrant made his cataclysmic return, Theo fought valiantly with his fellow knights, but they were overrun, and many were killed. Theo was severely injured, losing many friends, his wife, and young daughter.. This turned Theo bitter, and he left the church, nearly cursing Iomedae. He took to the ways of Gorum, more brutal and violent before, wanting vengeance against the undead minions of the Whispering Tyrant as he left the ruined lands of Lastwall, now renamed the Gravelands.
