

Warrmages tries to shockingly grasp die wolf, can't touch.

Testy takes Mummion out w/ magic missile

last warrmage runs after hit by wolf

Reyn lightning bolts Cont as he runs away

We scatter to watch the exits

no organized resistance

Bannabns leads the way, pissed.

"Put your hands in the air, and you don't need healing!"

"Well, <sup>there</sup> ~~there's~~ the Count's personal escape hatch."

We get by the buttaches, by the time we get to the exit the Count is long gone."
