UNITED STATES ATTORNEY
SEATTLE, WA

Dear whoever it may concern:

Hello. I am Arthur Le, the defendant. My case number is CV9 461 RSM. I am being sued by Wizards of the Coast. I am a nineteen year old college student attending Mission College, in Santa Clara, California with no job currently. My parents have recently been laid off of their jobs.

On March 17th, 2009, I, Arthur Le, bought the Dungeons & Dragons Player's Handbook 2 PDF from DriveThru RPG, and on April 18th 2009, I received the summons in person. Since I cannot deny this at all, all I have to say is that I have no association with Mike Becker, and I have made no profit off of this venture. I however, deeply apologize for my actions and realize that I am in the wrong.
