Esper Genesis brings Heroic Sci-Fi Adventure to 5E
Core Manual now available in hobby and game stores

Fort Lauderdale, Florida, USA., 10/1/18: Today [Alligator Alley Entertainment](#) announces the wide release of the **Esper Genesis Core Manual™**, now available in hardcover and fully compatible with the 5E rules of the world's most popular roleplaying game. Gamers can acquire the book from their friendly local gaming store, which can be ordered directly from [Alliance Game Distributors](#) and other major distributors through [Studio 2 Publishing](#).

Of the Esper Genesis game, Lead Designer Rich Lescouflair said, "There's something in Esper Genesis for everyone. It takes the heart of 5E, which is focused on amazing and fun adventures, and combines it with the epic wonder and excitement inspired by popular sci-fi books, shows, and games like Star Wars, Mass Effect, Ghost in the Shell, the Expanse, and more."

Explore the Silrayne Arc galaxy with the 304 page hardback book, presented in detailed, full color, art with a unique sci-fi look and feel, along with a collection of short stories detailing the immersive roleplay setting. All of this in a ready-to-use heroic roleplaying game powered by the familiar, fast-paced 5E rules engine with unique rules for alien species, sci-fi environments, and starship operations.

In addition to the *Core Manual*, two more core books (the *Threats Database* and *Master Technician's Guide*) and a series of organized play adventures are scheduled for release from the final quarter of 2018 through the 1st quarter of 2019.

Alligator Alley Entertainment (AAE) is a tabletop role-playing game design and publishing company based in South Florida. AAE creates shared-world experiences fueled by amazing stories where your heroes matter. Founded by a team of long-time RPG veterans, they have produced a number of tabletop role-playing products including *Witch Hunter: The Invisible World* and the *Esper Genesis* RPG.
