Archetypes			
Bolt Ace		[Paizo Inc. - Advanced Class Guide, p.94]	
While gunslingers are full of sound and fury, there is a class of gunslingers that never soil their hands with powder or feel the sting of gun smoke. They commit their deeds in a more hushed manner, but with just as much flair.			
Traits			
Highlander (hills or mountains)		[Paizo Inc. - Advanced Player's Guide, p.332]	
You were born and raised in rugged badlands or hills, and you've become something of an expert at evading the predators, monsters, and worse that haunt the highlands. You gain a +1 trait bonus on Stealth checks, and Stealth is always a class skill for you. This trait bonus increases to +2 in hilly or rocky areas.			
Thieves Guild Sympathizer		[Burning Sky]	
You have had dealings with the Gate Pass thieves guild, and you suspect they might owe you a favor, though you know it might not be safe to push your luck. You gain Bluff as bonus class skill. Additionally, your experience with being a lookout grants you an ability to alert your allies just before danger strikes. If you are not surprised at the start of an encounter, your allies receive a second Perception check to avoid being surprised.			
Special Attacks			
Ancient Enmity (Ex)		[Paizo Inc. - Advanced Player's Guide, p.11]	
Dwarves have long been in conflict with elves, especially the hated drow. Dwarves with this racial trait receive a +1 bonus on attack rolls against humanoid creatures of the elf subtype.			
Special Qualities			
Grit (Ex)		[Paizo Inc. - Ultimate Combat, p.9]	
A gunslinger makes her mark upon the world with daring deeds. Some gunslingers claim they belong to a mystical way of the gun, but it's more likely that the volatile nature of firearms simply prunes the unlucky and careless from their ranks. Whatever the reason, all gunslingers have grit. In game terms, grit is a fluctuating measure of a gunslinger's ability to perform amazing actions in combat. At the start of each day, a gunslinger gains 2 grit points. Her grit goes up or down throughout the day, but usually cannot go higher than 2, though some feats and magic items may affect this maximum. A gunslinger spends grit to accomplish deeds, and regains grit in the following ways. Critical Hit with a Firearm ~ Each time the gunslinger confirms a critical hit with a firearm attack while in the heat of combat, she regains 1 grit point. Confirming a critical hit on a helpless or unaware creature or on a creature that has fewer Hit Dice than half the gunslinger's character level does not restore grit. Killing Blow with a Firearm ~ When the gunslinger reduces a creature to 0 or fewer hit points with a firearm attack while in the heat of combat, she regains 1 grit point. Destroying an unattended object, reducing a helpless or unaware creature to 0 or fewer hit points, or reducing a creature that has fewer Hit Dice than half the gunslinger's character level to 0 or fewer hit points does not restore any grit.			
Nimble (Ex)		[Paizo Inc. - Ultimate Combat, p.12]	
Starting at 2nd level, a gunslinger gains a +1 dodge bonus to AC while wearing light or no armor. Anything that causes the gunslinger to lose her Dexterity bonus to AC also causes the gunslinger to lose this dodge bonus. This bonus increases by +1 for every four levels beyond 2nd level (to a maximum of +5 at 20th level).			
Bonus Feats		[Paizo Inc. - Ultimate Combat, p.12]	
At 4th level, and every four levels thereafter, a gunslinger gains a bonus feat in addition to those gained by normal advancement. These bonus feats must be combat or grit feats.			
Crossbow Maven		[Paizo Inc. - Advanced Class Guide, p.94]	

A bolt ace is proficient with all crossbows instead of all firearms and begins play with a masterwork crossbow of her choice. This ability alters the gunslinger's weapon proficiencies and replaces gunsmith.

Darkvision (Ex) **[Paizo Inc. - Bestiary]**
Range 60 ft.; Darkvision is the extraordinary ability to see with no light source at all, out to a range specified for the creature. Darkvision is black and white only (colors cannot be discerned). It does not allow characters to see anything that they could not see otherwise-invisible objects are still invisible, and illusions are still visible as what they seem to be. Likewise, darkvision subjects a creature to gaze attacks normally. The presence of light does not spoil darkvision.

Deeds **[Paizo Inc. - Advanced Class Guide, p.94]**

A bolt ace can perform the following deeds with a crossbow instead of a firearm: gunslinger initiative, pistolwhip, dead shot, targeting, bleeding wound, death's shot, and stunning shot. The bolt ace swaps the following deeds.

Defensive Training (Ex) **[Paizo Inc. - Core Rulebook, p.21]**

Dwarves get a +4 dodge bonus to AC against humanoid creatures of the giant subtype.

Greed (Ex) **[Paizo Inc. - Core Rulebook, p.21]**

Dwarves receive a +2 racial bonus on Appraise skill checks made to determine the price of nonmagical goods that contain precious metals and gemstones.

Grit (Ex) **[Paizo Inc. - Advanced Class Guide, p.94]**

A bolt ace regains grit when she scores a critical hit or deals a killing blow with any kind of crossbow. This ability modifies the grit Class Feature.

Gunslinger Initiative (Ex) **[Paizo Inc. - Advanced Class Guide, p.94]**

As long as the bolt ace has at least 1 grit point, she gains the following benefits. First, she gains a +2 bonus on initiative checks. Furthermore, if she has the Quick Draw feat, her hands are free and unrestrained, and the crossbow is not hidden, she can draw a single crossbow as part of the initiative check.

Hardy (Ex) **[Paizo Inc. - Core Rulebook, p.21]**

Dwarves receive a +2 racial bonus on saving throws against poison, spells, and spell-like abilities.

Mountain Dwarf **[Paizo Inc. - Advanced Race Guide, p.]**

Dwarves living atop high peaks have the mountaineer racial trait and often surface survivalist as well. Mountain dwarves are also trained to defend their homes, and may take the sky sentinel and xenophobic traits instead.

Mountaineer (Ex) **[Paizo Inc. - Advanced Race Guide, p.12]**

Mountain dwarves are skilled at climbing and navigating narrow ledges. Dwarves with this racial trait are immune to altitude sickness and do not lose their Dexterity bonus to AC when making Climb or Acrobatics checks to cross narrow or slippery surfaces.

Pistol-Whip (Ex) **[Paizo Inc. - Advanced Class Guide, p.94]**

The bolt ace can make a surprise melee attack with the butt or handle of her crossbow as a standard action. When she does, she is considered to be proficient with the crossbow as a melee weapon and gains a bonus on the attack and damage rolls equal to the enhancement bonus of the crossbow. The damage dealt by the pistol-whip is of the bludgeoning type, and is determined by the size of the crossbow. One-handed crossbow deal 1d6 points of damage (1d4 if wielded by Small creatures) and two-handed crossbow deal 1d10 points of damage (1d8 if wielded by Small creatures). Regardless of the bolt ace's size, the critical multiplier of this attack is 20/x2. If the attack hits, the bolt ace can make a combat maneuver check to knock the target prone as a free action. Performing this deed costs 1 grit point.

Rock Stepper (Ex) **[Paizo Inc. - Advanced Race Guide, p.12]**

Dwarves with this racial trait can skillfully negotiate rocky terrain. They can ignore difficult terrain created by rubble, broken ground, or steep stairs when they take a 5-foot step.

Sharp Shoot (Ex) **[Paizo Inc. - Advanced Class Guide, p.94]**

A bolt ace can resolve an attack against touch AC instead of normal AC when firing a crossbow at a target within its first range increment. Performing this deed costs 1 grit point. This deed's cost cannot be reduced by any ability or effect that reduces the amount of grit points a deed costs (such as Signature Deed).

Shooter's Resolve (Ex) **[Paizo Inc. - Advanced Class Guide, p.94]**

A bolt ace can spend 1 grit point when making a crossbow attack as a standard action and ignore the effects of concealment (though not total concealment) and cover (other than total cover) against that shot.

Steady (Ex) **[Paizo Inc. - Core Rulebook, p.21]**

Dwarves never have their speed reduced by armor or encumbrance.

<div>Vigilant Loading (Ex) [Paizo Inc. - Advanced Class Guide, p.94]</div> <div>As long as a bolt ace has at least 1 grit point, she does not provoke attacks of opportunity when loading a crossbow.</div> <div>Weapon Familiarity (Ex) [Paizo Inc. - Core Rulebook, p.21]</div> <div>Dwarves are proficient with battleaxes, heavy picks, and warhammers, and treat any weapon with the word "dwarven" in its name as a martial weapon.</div> <div>+1 Skill Bonus (Lore (City of Dressen), Lore (City of Dressen), Lore (City of Dressen)) [Paizo Inc. - Core Rulebook]</div> <div>GM awarded PC with +1 skill bonus.</div>	<div>Crossbow (Heavy), Underwater Crossbow (Light), Urgrosh (Dwarven), War Razor, Waraxe (Dwarven Double), Waraxe (Dwarven), Warhammer, Wushu Dart</div> <div>Temporary Bonus</div> <div>Deadly Aim</div>
