CHIEF OF A HIGH AND ANCIENT ORDER
MASTER OF ORTHANC
HONEY ON A FORKED TONGUE

CUNNING WIZARD	MENTAL ASSALT D8
STAFF D6	MIND CONTROL D8
ENHANCED STAMINA D8	SHAPESHIFTING D6
MYSTIC RESISTANCE D6	TRANSMUTATION D6

SFX: *Man of skill*: Saruman may replace two dice of equal size with one die one step larger.

SFX: *A new power is rising*: Saruman may spend a die from the Doom Pool to reroll.

SFX: *Turn aside the blade*: When using TRANSMUTATION to defend against a physical attack, add D6 and step up the effect die.

SFX: *All seems wise and reasonable*: When using MENTAL ASSAULT to inflict Mental Stress, Saruman may add a D6, setp back the highest die in the pool, and step up the effect die.

SFX: *My old friend and helper*: When using MIND CONTROL to inflict a JOIN WITH ME or similar complication, Saruman may add a D6 and step up the effect die.

SFX: *It's very sound an enchantment*: Activate an opportunity to create and step up an ARCANA and SOCIAL-related resource, MELODIOUS VOICE.

SFX: *Palantír of Orthanc*: Activate an opportunity to create and step up a LORE-related resource.

SFX: *Fána*: Spend a die from the Doom Pool to ignore stress, trauma, or complications resulting from disease or poison. Spend a die from the Doom Pool up to the same size as ENHANCED STAMINA to recover physical Stress or Trauma (the latter is hard to affect),

SFX: *Shadow image*: When stressed out, spend a die from the Doom Pool to reveal that it was actually a projected image. Saruman takes no trauma but can no longer act in the Scene.

Limit: *Gnaw one another with words*: Turn MIND CONTROL into a complication and grow the Doom Pool. Activate an opportunity or remove the complication to recover MIND CONTROL.

Limit: *Pride and hate conquering*: Step up mental or emotional stress resulting from humiliation, or from playing on Saruman's desire for power, to grow the Doom Pool.
